

OPERATION CAPTURE HISTORY

AN EFFORT TO DIGITIZE THE HISTORY OF THE CAMP LEE AREA

HOW DOES IT WORK?

Search through your attic, old trunks, photo albums and bring in any document pertaining to Camp Lee and the land on which it exists. We will electronically scan documents and keep electronic copies for archival and research use. You will keep the originals and have the opportunity to leave with an electronic copy of your document! Representatives from the Virginia Conservation Association will also be present.
